New Message Just received from Our Beloved Father Larcher to Andisheyee Students

Our Friend Karim Majidi sent us this message on behalf of Father Larcher, Karim "Marco" has seen father Larcher last week in Genova. Father Larcher is in Italy until 8th of March because of medical visit. Father Larcher at age 69 has sent all of you this message:

" My dear Old Boys, From time to time Nedaye Andisheh reaches you to remind you the Goals of Andisheh Don Bosco. Yes the educational and academic achievements have been completed but there is still RAH HAQ BEJOOEE in order to discover the true way of life. This is something which has to be continued till we reach the final goal: Life for ever. This is the real meaning of ANDISHEH JAVID. Therefore, BEH PEESH in such a research. This is keeping Andisheh alive. In such a way St. John Bscio is indeed our guide. May God keep us united in his Love and Mercy and He lead us to our final goal. I do pray for you. You are my life."
